Hogan ‘The Lift’ NV
Wine of Origin: Swartland
Biologically aged (Flor) wine

Technical analysis

pH: 3.36
TA: 5.5 g/l
RS: 1.1 g/l
Alc: 12.0%

Vinification

This is a fun, experimental, biologically aged wine (aged under Flor: a film of wine yeasts) made up of 4 vintages of our early picking portion of Swartland Chenin Blanc: 2020, 2021, 2022 and 2023. Taking inspiration from a band of producers in Jerez, Andalucia, who are making unfortified biologically aged wines that are pretty incredible. 40% of the wine was aged under Flor yeast.
